2016 KLCBT Golf Day a phenomenal success!

The KLCBT Golf Day took place on the 24th June 2016 on a beautiful sunny day at Matumi Golf Club in Nelspruit.

The field was completely fully booked with players and sponsors. Every single Tee, both main Greens, the putting green and welcome desk were sponsored! We thank each and every individual and company who supported and enjoyed a fun-filled day with our two "jokers", Zelda & Johnny.

Many of the sponsors presented "something for strength" or fun-filled games which players had to complete before they continued their game.

The first three competitors were: Ben Viljoen, Dumisani Guma and Ronald Ncube.

(Please contact Zelda if you want to grab the best sponsorship opportunity for next year!)

Nelspruit CID—building a healthy CBD

Amidst facing tough challenges locally and globally, concerning new developments in the face of urban decay in city centres, with the signs of crumbling infrastructure becoming apparent and with that, criminal elements and illegal trading is at the order of the day, the Central Business Districts often fail to attract new investment.

The Nelspruit CBD delivers top-up cleaning services, beautifying the environment and manages extra security programmes in the CBD to make it cleaner and safer for businesses to thrive. The difference is notable and if you have not recently visited the Nelspruit CBD, its time you went for a new (old) shopping experience!
