Airlink ups Cape Town—Nelspruit frequency, Tourism Update

According to Tourism Update, Airlink will add a second flight between Cape Town and Nelspruit from July 2nd, operating every day except Saturdays.

Airlink's CEO, Rodger Foster also eluded that there are other destinations from Cape Town on Airlink's radar, with some launching during the course of 2017 with dates to be announced in due course.

Currently the only direct flight departs at 10h00 daily from Cape Town and leaves Nelspruit for Cape Town at 13h15.

The second flight will depart at 15h00 from Cape Town and leave at 17h35 from Nelspruit to Cape Town.

Avoid falling victim to "Theft out of Motor Vehicles"

"Theft out of Motor Vehicles" is always a prominent and very high statistic for Mbombela and the surrounding areas.

SAPS asked us to appeal to raise awareness that in most cases the break-ins are caused because valuables were left in the vehicles and it makes for an attractive target for burglars.

Unfortunately the criminals usually start their "career" with low-risk crimes such as these and escalate to more serious and violent crimes after that.

DO NOT LEAVE VALUABLES IN MOTOR VEHICLES!

Participate in FACIM—Maputo International Trade Fair

The Dti has opened application for the National Pavilion at FACIM 2017. Although MEGA still intent to host the Mpumalanga Pavilion at FACIM 2017, it is important that the secure some EMIA compliant companies from the Province for the National Pavilion as well.

Application forms and company information must be submitted to MEGA by 27 March 2017. Applications are open for companies which are competitive in the South African market, has been in business for at least two years and is export ready. Such companies stand to benefit from the Dti's Export Marketing and Investment Assistance scheme which offers exhibition space, freight forwarding of display materials, air travel assistance and a daily subsistence allowance.

TRAC account holders encouraged to link their automatic e-tags

The introduction of automated electronic tag payments on the route will make travelling on the Maputo Corridor easier and more convenient.

This cashless payment system went live on 1 March. TRAC encourages its concession holders and frequent discount users who are already in possession of an automated electronic tag to make full use of it on their road by linking the tag to their existing TRAC account.

Simply visit any mainline plaza you are affiliated to, and take along your 16 digit automated e-tag number, and request linkage.

Become a host for a Help Cent-re donation box in aid of DASHA

The idea behind the project is to encourage people to put their bucket loads of small change to good use, by donating it to charity. Matthys Ferreira from Lowvelder brought this initiative to the Lowveld and currently he is asking businesses to volunteer to place a donation box at their premises. Matthys will regularly collect the money and the funds will be in support of DASHA.

The initiative originated in Knysna where 8 boxes generated a few thousand rand since October 2016. (Visit www.helpcent-re.org) Contact Matthys on 083 455 5608 or e-mail motoring@lowvelder.co.za
