

A weekly newsflash brought to you by KLCBT

18 AUGUST 2017

Visit www.klcbt.co.za regularly for the latest business news, updates information and EVENTS. The latest posts include:

ID Documents required at entrance gates of the Kruger National Park

Kruger National Park has implemented additional gate access control systems at its entrance gates in the South of the Park. As from 1 September 2017, all visitors over 18 years old will be required to produce their identity document or driver's licence card for scanning upon entering / exiting the Park.

The upgraded system will assist with monitoring the movement of people who enter or exit the Park and will ensure that information related to any persons entering the park in order to conduct illegal activities is centrally recorded and monitored.

The system will apply to everybody, including SANParks staff members, suppliers and other residents of the Park.

Adopt a Victim Friendly Room at one of our Police Stations

As crime is a growing concern in Mpumalanga, so too is the need to adequately support the victims of all crimes and natural disasters. Rural communities especially, are unable to afford professional trauma services and aftercare. The community members thus depend on the SAPS members at police stations to provide much needed support which victims of crime and natural disasters desperately need.

Business Against Crime identified 10 priority stations out of the 87 in Mpumalanga, where a Victim Friendly Facility is desperately needed. To make this possible, we invite any business to adopt one of the 10 facilities for a once-off capital contribution of only R10 000. The donor company will open the facility with BAC and the event and picture will be published in the media.

This is a really worthy cause for your social corporate responsibility contribution.

A double dose of networking with KLCBT next Thursday

There will be no shortage of networking opportunities this next week as KLCBT is presenting a double dose for Thursday the 24th.

IDC will host a networking breakfast in the morning to tell us about all the funding options at IDC and how to qualify and apply.

The day will end with sundowners at the Italtile Showroom where things will really shake up with a very interesting talk on the origins of tile and stone, followed by speed networking rotations that will leave you breathless...

Feedback from the networking functions is incredible. It is really the only reliable way to meet new potential clients—and at a cost of only R100 for meals and drinks, you have nothing to lose!

Tourism establishments invited to participate in the Nelspruit / White River stand at the Mpumalanga Show

NELSPRUIT
WHITE RIVER
capital of nature

The Mpumalanga Show is the end of the month, from 31 August to 3 September 2017. The Nelspruit / White River Tourism Organisation will have a 3x3m stand at the show and is inviting members to participate.

All tourism related establishments in Nelspruit, White River, Kaapschehoop, Kanyamazane and Kabokweni can have their brochures or flyers displayed at the stall at a cost of only R150.00 to cover the cost of the stand.

Participants can also volunteer to take a 2-hour shift to man the stand at any time during the show period.

(Please contact Linda Grimbeek by return e-mail if you wish to participate)
