Mpumalanga Show ready to amaze in 2018

After the tremendous success of the first Mpumalanga Show in 2017, the dates for this year's event have been confirmed for 30 August to 1 September 2018 at the Mbombela Stadium in Mbombela.

The varied entertainment line-up is set to amaze and dazzle spectators, with a wide selection of stage performers and carnival acts taking place throughout the three days.

The show provides a perfect platform for businesses to network and trade, while families can experience an exciting mix of entertainment and infotainment.

The first show contributed millions to the local economy and attracted around 20 000 visitors and over 300 exhibitors. This year the numbers are expected to double.

Save the date—Open meeting with Mbombela's Municipal Manager

Mr Neil Diamond, recently appointed Municipal Manager of the City of Mbombela, will address an open forum of businesses for the first time since his arrival last year. This breakfast event will be hosted by KLCBT on 16th March 2018, at Emnotweni Arena.

Diamond will talk about the proposed turnaround plan for the City (changes can be noticed already), and will highlight opportunities and challenges facing businesses and the municipality in the immediate future.

KLCBT's management attended a high level meeting with him and his team a couple of days ago and all who attended were truly impressed by his honesty and in-depth knowledge of the City's affairs.

Please save this date and do not miss the opportunity to welcome Mr Diamond to our area and to see what on the cards for Mbombela during the next few years.
