Mbombela's property valuation roll is open for inspection and objection

The City of Mbombela has published a new General Valuation Roll for the period 1 July 2018—30 June 2023. It includes Objection Forms, a Public Notices Folder and the General Valuation Roll. The valuation roll is open for public inspection from 2 April to 31 May 2018.

An invitation is hereby made in terms of the Act that any owner of property or other person who so desires should lodge an objection with the municipal manager in respect of any matter reflected in, or omitted from, the valuation roll within the mentioned period.

Attention is specifically drawn to the fact that an objection must be in relation to a specific individual property and not against the valuation roll as such. The objection forms is available on Mbombela's website.

It is said too often that there is nothing to do around here, especially in Nelspruit. Yes, we do not have roaring night-life and regular live entertainment, BUT there are a lot of interesting activities and events every single weekend which makes our area unique.

The really sad part is that our local community does not support these events enough. Perhaps it is because people do not know where to look?

Our handy Events section on the KLCBT's website is the perfect tool to use anywhere and anytime—it is perfectly responsive and accessible from any device. So, plan your weekends ahead. The best time to look is late Friday morning when all available information is loaded.
