09:50: 10:15	Update on UAE / South Africa Trade followed by presentation and capabilities by DP World and JAFZA
10:15 – 10:45	Dubai as a Hub for GCC, Indian Sub-Continent and Africa trade
BREAK (15 minutes)	
11:00-11:15	DUBAI Fruit and Vegetable market operated by DP World – DP World / JAFZA
11:15 – 11:30	The Mpumalanga International Food Market (DEDT)
11:30 – 12:00	Discussions
CLOSURE & LUNCH B2B session	

Brief details about DP World:

Who We Are: DP World is the leading provider of smart logistics solutions, enabling the flow of trade across the globe and JAFZA is the World's leading hub for Logistics, Trading and Manufacturing.

What We Do: DP World and JAFZA connect the worlds of business, logistics, and people on the ground.

Objective:

JAFZA plans to facilitate new Trade by building Infrastructure and providing Market Access to International Markets along with offering e2e Logistics solutions.

Target audience:

Companies looking at Dubai as a consolidation hub for their Import or Export requirements along with efficient Supply Chain solutions. These could potentially be Manufacturers, Traders, Growers, Agri producers, Fruit & Vegetable exporters plus Businesses involved in Automotive, FMCG, Electronics, Machinery and Building Materials.
