INVITATION - PARTNERING IN BUSINESS WITH GERMANY

The Department of Trade, Industry and Competition (**the dtic**), in partnership with the Federal Ministry for Economic Affairs and Climate Action (**BMWK**), is pleased to invite applications for the *Partnering in Business with Germany (PG)* training programme, implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (**GIZ**).

This programme is designed for interested and potential companies seeking to explore business opportunities in Germany. It offers a comprehensive corporate project plan tailored to the German market. Applications are encouraged from companies in sectors, such as Agro-Processing, Automotive, Renewable Energy, and Information & Communication Technology (ICT).

Participating companies will gain an opportunity to explore the German market, connect with German corporations, and build long-term, sustainable business partnerships. Programme dates: 01–18 June 2026 in Germany.

- For more information, [Click here](#)
- [Click here](#) for the application form (version VER.2025-04).

Applications will only be accepted on the relevant, fully completed electronic forms (handwritten submissions are not accepted). All applications must be accompanied by:

- SARS compliance certificate/tax pin
- B-BBEE certificate/affidavit (where applicable)
- Financial statements
- Company profile/brochure

Please submit your completed application and supporting documents to: learnexport@thedtic.gov.za

Interested companies are required to attend a briefing session on **22 January 2026, from 11:00–12:30**. The meeting link will be available on **the dtic** website (www.thedtic.gov.za).

Closing date for applications: 30 January 2026

NB: Late, incomplete or handwritten applications/submissions will not be considered.

Please download the application before you can complete it
